

QUALITY POLICY

MATADOR Automation, s.r.o. Dubnica nad Váhom

PURPOSE

SHAPING THE MOBILITY UNIVERSE

GOAL

TO BECOME A RESPECTED INNOVATIVE MOBILITY SOLUTION PROVIDER SETTING
CUSTOMIZED STANDARDS FOR LEADING PLAYERS GLOBALLY

IN ORDER TO MEET OUR PURPOSE AND GOAL WE AGREE TO FOLLOW THESE TARGETS:

- Stabilize our position on the market and secure conditions for further growth
- Develop long term business relationships through meeting high qualitative standards as well as understanding the needs of our customers
- Secure continuous improvement and innovation based upon efficient business processes and employee involvement
- Encourage effective communication and management involvement through enhancement of team work and fitting development programs
- Motivate our employees for their achievements in work
- Establish new business relationships abroad through active advertisement of the company on foreign markets
- Maintain and continuously develop supplier base to secure high quality and on-time supplies
- Continuous improvement of quality management according to ISO 9001 and VDA 6.4

These qualitative targets are built upon the current strategic objectives of the company and all employees were informed about the abovementioned targets.
