

ENVIRONMENTAL POLICY

MATADOR Industries, a.s. Dubnica nad Váhom

PURPOSE

SHAPING THE MOBILITY UNIVERSE

GOAL

TO BECOME A RESPECTED INNOVATIVE MOBILITY SOLUTION PROVIDER
SETTING CUSTOMIZED STANDARDS FOR LEADING PLAYERS GLOBALLY

IN ORDER TO MEET OUR PURPOSE AND GOAL WE AGREE TO FOLLOW THESE TARGETS:

- Perform our activities and services according to the current environmental legislative requirements
- Use proactive processes and preventive actions to avert contamination of soil and water with harmful substances as well as other harmful effects towards environment
- Reduce the in-house waste production, and minimize its unfavourable effect towards the work environment
- Follow the environmental policy and its targets on all levels of the company
- Cooperate with suppliers and contractors in the spirit of upholding highest environmental standards and management systems
- Continuous improvement in environmental protection and environmental management according to ISO 14001:2015
- Enhance and support responsible environmental behaviour amongst all employees and communicate internal quality policy at all levels of the company

These environmental targets are built upon the current strategic objectives of the company and it is responsibility of all employees to act according the abovementioned targets.
