

# QUALITY POLICY

MATADOR Industries, a.s. Dubnica nad Váhom

---

## PURPOSE

SHAPING THE MOBILITY UNIVERSE

## GOAL

TO BECOME A RESPECTED INNOVATIVE MOBILITY SOLUTION PROVIDER SETTING  
CUSTOMIZED STANDARDS FOR LEADING PLAYERS GLOBALLY

---

### IN ORDER TO MEET OUR PURPOSE AND GOAL WE AGREE TO FOLLOW THESE TARGETS:

- Continuous improvement of quality process management according to ISO 9001:2015 and VDA 6.4
- Change of internal communication using factual promotion of quality goals to improve customer relationships and their satisfaction
- Modernize and invest into improvement of productivity
- Continue in building of the MATADOR Brand into respected mechanical engineering provider
- Intensively communicate and work with our suppliers to improve quality and increase satisfaction of the final customer
- Invest in proactive approach towards quality, costs and setup of processes
- Continuously search for new methods of employee preparation and education to increase employee satisfaction
- Improvement of processes based on the internal and external communication feedback

**These qualitative targets are built upon the current strategic objectives of the company and all employees were informed about the abovementioned targets.**
